

TrackerX™

# Jessica II

QUICK SETUP

www.TrackerX.me  
408-345-5976  
info@TrackerX.me

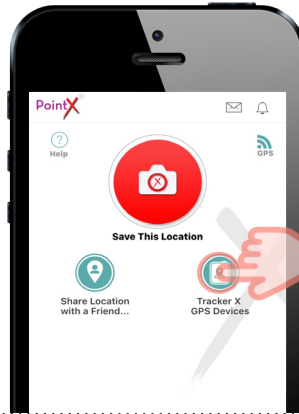

©2016 Approach Me, Inc.

## 1. Download App.

Download the PointX app.

Launch the app and select TrackerX button.

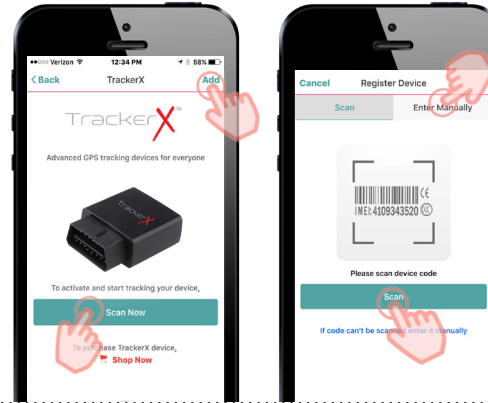

## 2. Scan Device.

Tap 'Add' or 'Scan Now', then scan your device.

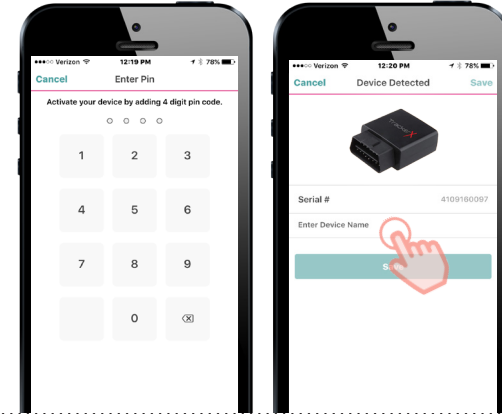

If Scan doesn't work, you can enter code manually.

## 3. Set PIN.

Set up PIN code.

Name device.

## 4. Plug Device.

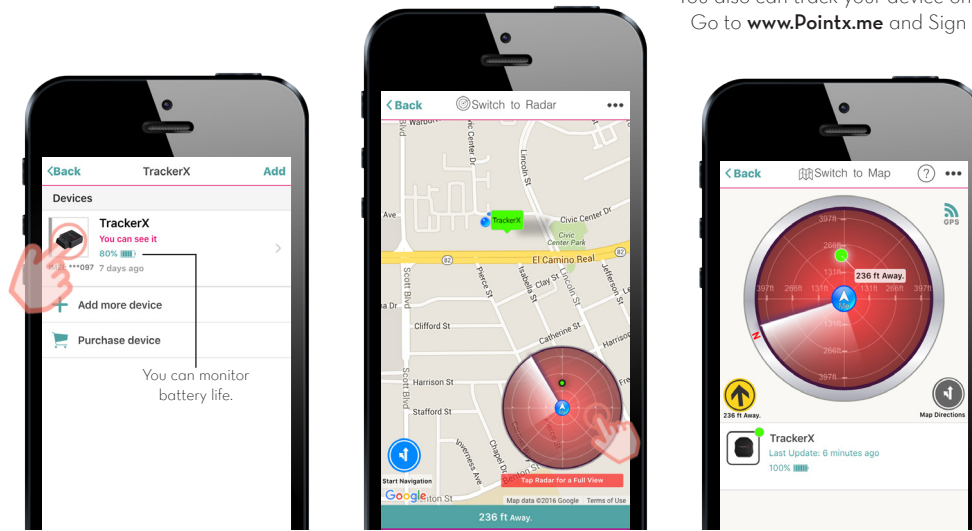

Plug device into your vehicle's OBD-II Port.\*

\*Normally, this port is located just under the dashboard above the gas or brake pedal.

## 5. Track Device.

Tap device icon to start tracking. You can switch between the radar screen and map screen.

You also can track your device online. Go to [www.Pointx.me](http://www.Pointx.me) and Sign in.
